

# HOTEL MERKUR IN PRAGUE CENTER

## ABOUT US

Hotel Merkur in its contemporary appearance **was built in 1930's** on a site of two historical buildings – **a 16th century brewery and a burgess estate**. Remnants of those two sites are preserved on the underground level and partially also on the ground floor. A complete reconstruction has been done several years ago; **the logo and the name of the hotel Merkur are originals from 1930's**.

The hotel is located in a close proximity of the Prague's historical city centre, near to all significant sights and the newly opened shopping mall Paladium, which offers a large number of shops, restaurants and other services. **Old Town square and Venceslav's square are only 15 minutes of a very pleasant stroll away.**

Being close to the city centre, our hotel offers excellent transportation possibilities – lines C and B of Prague's subway are located approximately 50 meters from our hotel and most lines of buses and trams are within 2 minutes walk. A public parking lot is directly in front of the hotel building (30 crowns per hour). We offer a number of parking spaces for motorbikes and bicycles in our courtyard.

## HOTEL ROOMS

Our hotel has a capacity of 50 rooms – 4 single, 33 double and 13 triple rooms. Each room is equipped with a bathroom (shower or bath), a hairdryer, a satellite TV and a safe. Moreover, we offer a free wifi hot spot.

Breakfast is served in a form of a buffet – **we are particular about preparing homemade food, giving it a personal touch, either for breakfast or for possible half-board.**

In case you would like to book a sightseeing trip in or out of Prague or theatre tickets, our receptionists would gladly offer their assistance.

**Our staff is always ready to satisfy your needs and wishes. We guarantee you a pleasant stay in a neat family-type hotel.**
